

Astronomy and Astrophysics Faculty Meeting
Monday, Feb 5, 2007
3:30-5 pm Rm 102 ISB

AGENDA

- Visit from Alison Galloway, Vice Provost of Academic Affairs, to discuss the upcoming Astronomy External Review (3:30-3:50)

- External Review discussion (Faber) (3:50-4:30)
 - Content and approximate schedule (handout)
 - Review Goals: what do we want to accomplish?
 - Faculty questionnaire (handout)
 - Input from other groups: grads, postdocs, staff
 - Should we have a retreat this spring as input to the Self-Study? Or a small brainstorming group as alternative to full retreat?
 - Brainstorming names for committee members (there will be three members, and one must be from another UC campus)

- Announcements (Faber) (4:30-4:45)
 - Enrico Ramirez-Ruiz: Bahcall Fellow
 - Handbook for new faculty in preparation (Max, Ramirez-Ruiz)
 - Other announcements

- Matters arising (4:45-5:00)
